REFERENCE ON MOKENUYU AKUMBOM JUNIOR KEZONG

I write in response to your request concerning **Mokenuyu Akumbom Junior Kezong** who is applying for M.Sc. admission in your institution.

I have known him since 2021 when he enrolled as a student in the Department of Accounting, Faculty of Social and Management Sciences, University of Buea, South West Region – Cameroon.

He showed aptitude for courses in Accounting and research. He has a very competent and versatile intellect which is discriminating and fresh in orientation and bold in expression. I have been struck by his dedication to learning and capacity for sustained hard work in academics without compromising on standards and personal integrity.

He has indeed been a trailblazer in independent assignments and a model to other aspiring young gentlemen. His modest demeanor hides a resolute and dependable character with other sterling qualities.

I have no doubt that he will acquaint himself creditably as Student. I strongly recommend him with great confidence for admission.

Yours faithfully,
